Section 1. Course Title and Description

Prefix & No.	Course Title	Credits
-------------------------	---------------------	----------------

This course will unify coaching strategies, tactics and issues relevant across the field of coaching versus individualized sports specific content. In the existing courses (PE 469/PE 470/PE 471/PE 473/PE 474/PE 475 and labs) the students learn about sports specific topic, verse in PE 483 they will be trained in fundament skills and theories that are universal to all sports and avoid redundant course work.
