Subject: FW: Common course modifications for Math Pathways

Chris,

Attached are curriculum proposals to renumber college algebra, rename MATH 103, etc. These changes were all discussed and approved by BOR last spring as part of the larger Math Pathways proposal, but we still need approval from each campus (see email below). Can you please indicate approval in an email and I will forward to the MDC chair to append to the forms before submitting to BOR.

Thanks,
Daluss
