- Provide specific reasons for the proposal of this course and explain how the changes enhance the curriculum.  
This course is needed to meet the student learning outcomes required for accreditation standards of the Council of Education of the American Veterinary Medical Association.
- Note whether this course is: Required Elective
- In addition to the major/program in which this course is offered, what other majors/programs will be affected by this course?  
None directly, although the course might be of interest to students in certain graduate programs, such as the Biological Sciences MS and PhD.
- If this will be a dual listed course, indicate how the distinction between the two levels will be made.  
N/A.
- Desired section size: 20-30
- Provide qualifications of faculty who will teach this course. List name(s), rank(s), and degree(s).
