**Section 2. Review of Course**

2.1. Was the course first offered as an experimental course?    Yes    No

2.2. Will this be a unique or common course?

**Unique Course**

Prefix & No.	Course Title	Credits
None		

Provide explanation of differences between proposed course and existing system catalog courses below:

The proposed course is required for the Professional Program in Veterinary Medicine (PPVM). The PPVM program is a collaboration between SDSU and the University of Minnesota-Twin Cities consisting of the first two years of coursework towards the Doctor of Veterinary Medicine (DVM) degree. The new course aligns with the UMN coursework and aligns with accreditation standards.

**Section 3. Other Course Information**

3.1. Are there instructional staffing impacts?

No. Schedule Management, explain below: New faculty or re-assigned faculty will teach the
