University Approval

To the Board of Regents and the Executive Director: I certify that I have read this proposal, that I believe it to be accurate, and that it has been evaluated and approved as provided by university policy.

12/30/21

President of the University of South Dakota

Most nurse practitioner students are employed part-time or full-time and are often place bound due to proximity to family or other resources. Delivering the program online, with asynchronous and synchronous courses, will allow flexibility so students can complete the program while continuing to maintain employment and complete learning activities/course content at times that are convenient for them. The online approach to delivery is aligned with

6'68¶V FRPPLWPHQW WR H[FHOOHQFH DQG DFW¶V WR DII
XQLYHUVLVW¶V ODQG JUDQW PLVVLRQ

The University does not request new state resources to deliver the program online.

- 2. Are any other Regental universities authorized to offer a similar program at the proposed site(s) or through distance delivery? ,I ³\HV ´ LGHQWLI\ WKH LQVWLWV programs and explain why authorization is requested.**

5.

x PHA 645 -

x

- x Distance library services include book and article delivery for materials owned by the library. Students may request materials not held by the library through interlibrary loan.
- x SDSU students have online access to research databases such as Web of Science, EBSCOhost MegaFILE, PubMed, and JSTOR.
- x Students in the College of Nursing also have access to the Wegner Health Sciences Library at the University of South Dakota.

7. Is this program accredited by a specialized accrediting body? If so, address any program accreditation issues and costs related to offering the program at the new site(s).
