required health communication courses in the Health Communication Minor: CMST 440 Health Communication which is a survey course about the foundations of the discipline. CMST 441-541 Current Issues in Health Communication will also cover a range of topics, but with greater depth that pushes students to dive deeply into the research and scholarship of health communication.

Section 3. Other Course Information

3.1. Will this course equate (i.e., be considered the same course for degree completion) with any other unique or common courses in the common course database? Yes No
