SOUTH DAKOTA STATE UNIVERSITY
Policy and Procedure Manual

SUBJECT: Remote Access and Authentication

NUMBER: 7:8

1. Purpose

ii. Full-Time Hourly Employees are granted access with their supervisor and the Vice President for Technology and Security or designee approval.

iii. Graduate Assistants are granted access on a case-by-case basis.

b. Vendors requesting access to the University's network from outside the University must contact the Division of Technology and Security for the Third Party Agreement Form and receive approval from the Vice President for Technology and Security, or designee.

4. Responsible Administrator

The Vice President for Technology & Security, or designee, is responsible for the annual and ad hoc review of this policy and its procedures. The University President is responsible for formal policy approval.

SOURCE: Approved by President on 11/17/2015. Revised 01/31/2024 (clerical).
